

## Application Procedures

**Use Virex® II 256 One-Step Disinfectant Cleaner and Deodorant to clean restroom toilets, sinks, floors and walls.**

Apply use-solution to hard, nonporous surfaces. Thoroughly wet surface with a cloth, mop, sponge, sprayer or by immersion. Allow to remain wet for 10 minutes. Wipe dry or allow to air dry.

**Use PERdiem™/MC General Purpose Cleaner with Hydrogen Peroxide to clean hard surfaces as well as carpet.**

Fill mop bucket, spray bottle or automatic scrubbing machine from dispenser. Apply to surfaces to be cleaned. For use as a carpet spotter, prespray or extraction cleaner, apply to carpet, agitate and rinse with water. For autoscrubber use, trail mop behind machine to pick up any excess solution. Allow to dry.

**Use Spitfire® SC Power Cleaner to clean most heavily soiled, hard surfaces.**

Spray onto hard surface. Allow to penetrate and lift soils. Wipe with a clean cloth. Requires no rinsing. Do not use on glass, aluminum and water-based paint.

**Use Heavy Duty Prespray SC as prespray to loosen heavily soiled carpets.**

Vacuum area first. Spray carpet and agitate with a carpet rake, extractor brush, shampoo brush or bonnet. Extract and allow to dry.
