

RTD® Application Procedures

Use Virex™ II 256 One-Step Disinfectant Cleaner and Deodorant to clean restroom toilets, sinks, floors and walls.

Apply use-solution to hard, nonporous surfaces. Thoroughly wet surface with a cloth, mop, sponge, sprayer or by immersion. Allow to remain wet for 10 minutes. Wipe dry or allow to air dry.

Use Glance® HC Glass and Multi-Surface Cleaner to clean mirror, chrome and glass surfaces.

Spray onto surface. Wipe with a clean cloth or towel.

Use Crew® Shower, Tub and Tile Cleaner HC to clean bathroom surfaces but not marble, resilient floors or galvanized metal.

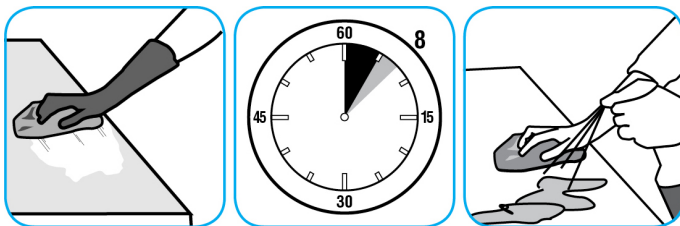

Fill small bottle or bucket or use gun to apply a foam directly onto surfaces. Scrub with a soft brush, pad or cloth. Do not allow foam to dry. Rinse surfaces thoroughly.

Use GP Forward® General Purpose Cleaner to clean any water-safe surface.

Fill mop bucket, spray bottle or automatic scrubbing machine from dispenser. Apply to surfaces to be cleaned. For autoscrubber use, trail mop behind machine to pick up any excess solution. Allow to dry.

Use Spitfire® SC Power Cleaner to clean most heavily soiled, hard surfaces.

Spray onto hard surface. Allow to penetrate and lift soils. Wipe with a clean cloth. Requires no rinsing. Do not use on glass, aluminum and water-based paint.
