

J-Fill®

Application Procedures

Use Crew® Restroom Floor and Surface SC Non-Acid Disinfectant Cleaner to clean restroom toilets, sinks, floors and walls.

Apply use-solution to hard, nonporous surfaces. Thoroughly wet surface with a cloth, mop, sponge, sprayer or by immersion. Allow to remain wet for 10 minutes. Wipe dry or allow to air dry.

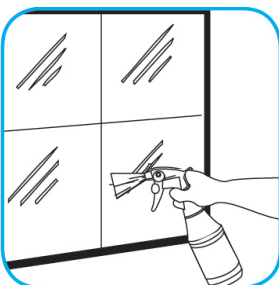

Use Good Sense® SC Fabric Freshener on most fabrics that are colorfast and washable.

Spray fabric evenly until damp. Odors are eliminated as fabric dries. Difficult odors may require a second treatment. Amount of product dispensed will affect the drying time. Allow treated fabric to dry before use.

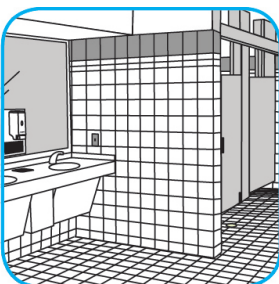

Use Glance® NA Glass and Multi-Purpose Cleaner to clean mirror, chrome and glass surfaces.

Spray onto surface. Wipe with a clean cloth or towel.

Use Crew® Bathroom Cleaner and Scale Remover to remove soap scum and hard water deposits. Do not use on natural wood or marble.

Dilute with cold water. Dispense use-solution into trigger spray or flip top bottle as needed. Apply with a damp cloth or directly on surface to be cleaned. Loosen soil with rubbing action. Rinse with cold water.

Use PERdiem™/MC General Purpose Cleaner with Hydrogen Peroxide to clean hard surfaces as well as carpet.

Fill mop bucket, spray bottle or automatic scrubbing machine from dispenser. Apply to surfaces to be cleaned. For use as a carpet spotter, prespray or extraction cleaner, apply to carpet, agitate and rinse with water. For autoscrubber use, trail mop behind machine to pick up any excess solution. Allow to dry.
