

Application Procedures

Use Alpha-HP® Multi-Surface Disinfectant Cleaner to clean, disinfect and deodorize in one easy step.

Apply use-solution to hard, nonporous surfaces. Thoroughly wet surface with a cloth, mop, sponge, sprayer or by immersion. Allow to remain wet. Wipe dry or allow to air dry. See product label for complete directions.

Use ProminenceTM/MC Heavy Duty Cleaner to remove soil from floors without dulling the appearance of the floor finish.

Dilute with cold water. For daily cleaning, use a spray bottle, mop and bucket or fill auto scrubber and use red pads. For Deep Scrubbing, fill auto scrubber and use green or blue pads. Pick up soil and excess cleaner with a tightly wrung out cleaning mop or cloth.

Use Alpha-HP® Multi-Surface Cleaner to clean hard surfaces and carpet.

Spray onto surface. Wipe with a clean cloth or towel. For Carpet Spotting: Apply to carpet spot, agitate and rinse with water. For Prespray Cleaning: Apply product to area to be cleaned using a pressurized hand held sprayer. Extract thoroughly with water.

Use Good Sense® SC Fabric Freshener on most fabrics that are colorfast and washable.

Spray fabric evenly until damp. Odors are eliminated as fabric dries. Difficult odors may require a second treatment. Amount of product dispensed will affect the drying time. Allow treated fabric to dry before use.
