

SmartDose™/MC

Application Procedures

Use Stride® Citrus HC Neutral Cleaner to clean floors and other hard surfaces.

Fill mop bucket, spray bottle or automatic scrubbing machine from dispenser. Apply to surfaces to be cleaned. For autoscrubber use, trail mop behind machine to pick up any excess solution. Allow to dry.

Use Suma® Multi-Purpose Cleaner Degreaser to clean and degrease all kitchen surfaces.

Spray onto surface. Allow to penetrate and lift soils. Scrub with a brush if needed. Rinse thoroughly with potable water. For food contact surfaces, follow with a sanitizer.

Use Hard Surface Sanitizer to sanitize washable hard, non-porous surfaces.

Apply use-solution to washable hard, non-porous surfaces: dishes, glassware, silverware, cooking utensils and plastic and other non-porous cutting boards. Spray or immerse objects for 1-2 minutes. Allow to air dry. See product label for complete directions.

Use Glance® NA Glass and Multi-Purpose Cleaner Non-Ammoniated to clean mirror, chrome and glass surfaces.

Spray onto surface. Wipe with a clean cloth or towel.
