

J-Fill®

Application Procedures

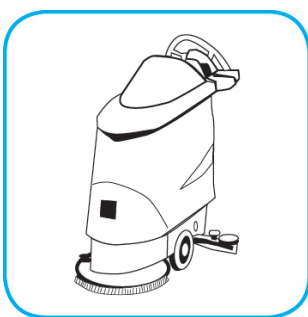

Use GP Forward® SC General Purpose Cleaner to clean any water-safe surface.

Fill mop bucket, spray bottle or automatic scrubbing machine from dispenser. Apply to surfaces to be cleaned. For auto scrubber use, trail mop behind machine to pick up any excess solution. Allow to dry.

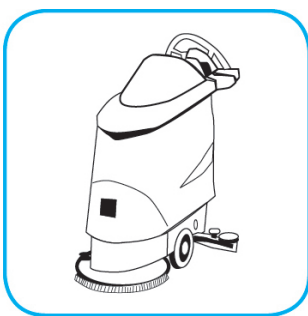

Use Revive® Plus SC Maintainer/Rejuvenator daily to clean/maintain floors.

Fill mop bucket or auto scrubber from dispenser. Apply with mop or scrub floor with red pad or equivalent. Trail mop behind scrubber. Do not rinse the floor. Let floor dry completely.

Use Prominence™/MC Heavy Duty Cleaner to remove soil from floors without dulling the appearance of the floor finish.

Dilute with cold water. For daily cleaning, use a spray bottle, mop and bucket or fill auto scrubber and use red pads. For Deep Scrubbing, fill auto scrubber and use green or blue pads. Pick up soil and excess cleaner with a tightly wrung out cleaning mop or cloth.

Use Soil Release/Bonnet Buff as both a prespray and a bonnet buff.

To bonnet buff, spray use-solution on carpet or yarn bonnet. Clean with bonnet under a rotary floor machine. Rake carpet and allow to dry. To use as a pre-spray: Spray solution on soiled areas and allow to dwell for 5-10 minutes. Extract with rinse. Rake carpet and allow to dry.
