

## J-Fill® Application Procedures

**Use BreakDown™/MC Odor Eliminator Concentrate to treat malodors on carpet and hard surfaces.**

For daily cleaning: use a spray bottle or mop and bucket to apply the use-solution to a surface, let the product dwell for best performance. For deodorizing: spray directly onto floors, urinals, toilets, trash receptacles and other surfaces. For use as a carpet spotter, apply to carpet, agitate and rinse with water. Do not spray into the air or use as an air freshener.

**Use Stride® Citrus HC Neutral Cleaner to clean floors and other hard surfaces.**

Fill mop bucket, spray bottle or automatic scrubbing machine from dispenser. Apply to surfaces to be cleaned. For auto scrubber use, trail mop behind machine to pick up any excess solution. Allow to dry.

**Use PERdiem™/MC General Purpose Cleaner with Hydrogen Peroxide to clean hard surfaces as well as carpet.**

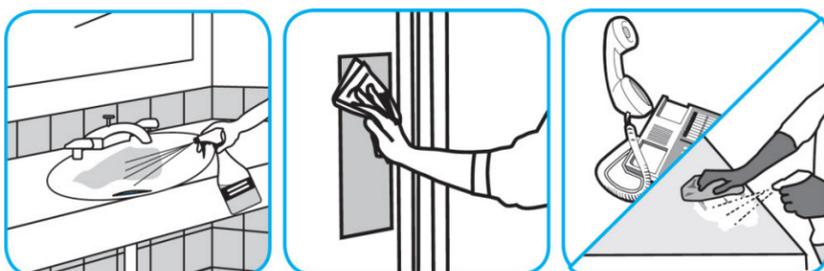

Dilute with cold water. For daily cleaning, use a mop and bucket or fill auto scrubber and use red pads. For Deep Scrubbing, fill auto scrubber and use green or blue pads. Pick-up soil and excess cleaner with a tightly wrung-out cleaning mop.

**Use Crew® Shower, Tub and Tile Cleaner to clean bathroom surfaces but not marble, resilient floors or galvanized metal.**

Fill small bottle or bucket or use gun to apply a foam directly onto surfaces. Scrub with a soft brush, pad or cloth. Do not allow foam to dry. Rinse surfaces thoroughly.

**Use Oxivir® Plus Disinfectant Cleaner Concentrate to clean and disinfect hard, non-porous surfaces.**

Apply use solution. Let stand for 5 minutes. Wipe or allow to air dry.
