

J-Fill® Application Procedures

Use Oxivir® Three 64 Multi-surface Disinfectant Cleaner and Deodorizer to clean and disinfect hard, non-porous surfaces.

Apply use solution. Let stand for 3 minutes. Wipe or allow to air dry.

Use BreakDown™/MC Odor Eliminator Concentrate to treat malodors on carpet and hard surfaces.

For daily cleaning: use a spray bottle or mop and bucket to apply the use-solution to a surface, let the product dwell for best performance. For deodorizing: spray directly onto floors, urinals, toilets, trash receptacles and other surfaces. For use as a carpet spotter, apply to carpet, agitate and rinse with water. Do not spray into the air or use as an air freshener.

Use Prominence™/MC Heavy Duty Cleaner to remove soil from floors without dulling the appearance of the floor finish.

Dilute with cold water. For daily cleaning, use a spray bottle, mop and bucket or fill auto scrubber and use red pads. For Deep Scrubbing, fill auto scrubber and use green or blue pads. Pick up soil and excess cleaner with a tightly wrung out cleaning mop or cloth.

Use Revive® Plus SC Maintainer/Rejuvenator daily to clean/maintain floors.

Fill mop bucket or auto scrubber from dispenser. Apply with mop or scrub floor with red pad or equivalent. Trail mop behind scrubber. Do not rinse the floor. Let floor dry completely.
