

J-Fill®

Application Procedures

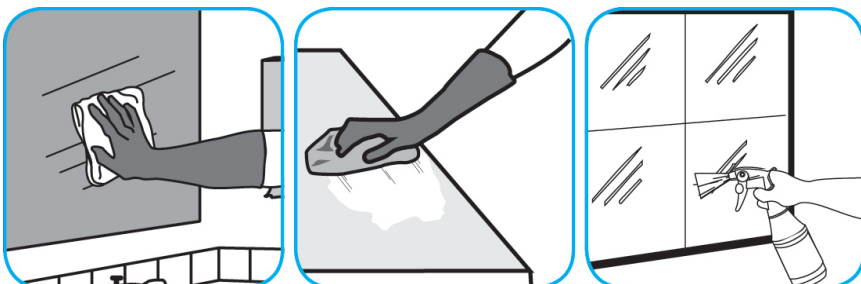

Use Good Sense® SC Fabric Freshener on most fabrics that are colorfast and washable.

Spray fabric evenly until damp. Odors are eliminated as fabric dries. Difficult odors may require a second treatment. Amount of product dispensed will affect the drying time. Allow treated fabric to dry before use.

Use Glance® NA Glass and Multi-Purpose Cleaner Non-Ammoniated to clean mirror, chrome and glass surfaces.

Spray onto surface. Wipe with a clean cloth or towel.

Use Stride® Citrus HC Neutral Cleaner to clean floors and other hard surfaces.

Fill mop bucket, spray bottle or automatic scrubbing machine from dispenser. Apply to surfaces to be cleaned. For auto scrubber use, trail mop behind machine to pick up any excess solution. Allow to dry.

Use Crew® Shower, Tub and Tile Cleaner to clean bathroom surfaces but not marble, resilient floors or galvanized metal.

Fill small bottle or bucket or use gun to apply a foam directly onto surfaces. Scrub with a soft brush, pad or cloth. Do not allow foam to dry. Rinse surfaces thoroughly.
