

# J-Fill®

## Application Procedures

Use Revive® Plus SC Maintainer/Rejuvenator daily to clean/maintain floors.

Fill mop bucket or auto scrubber from dispenser. Apply with mop or scrub floor with red pad or equivalent. Trail mop behind scrubber. Do not rinse the floor. Let floor dry completely.

Use Suma® Break-Up® SC Heavy Duty Foaming Grease-Release Cleaner to clean food contact surfaces, including machinery, walls and floors.

To clean floors, apply by mop or brush and scrub. Rinse thoroughly with hot water. Wear long rubber gloves for manual cleaning. To clean equipment, soak parts. Use brush or sponge as necessary. Rinse.
