

Application Procedures

Use Speedball™/MC 2000 Heavy-Duty Spray Cleaner Concentrate to clean hard surfaces but not glass, aluminum, or water based paint.

Spray product on hard surfaces to be cleaned. Allow cleaner to penetrate and lift soils. Wipe with a clean cloth. Requires no rinsing.

Use BreakDown™/MC Odor Eliminator Concentrate to treat malodors on carpet and hard surfaces.

For daily cleaning: use a spray bottle or mop and bucket to apply the use-solution to a surface, let the product dwell for best performance. For deodorizing: spray directly onto floors, urinals, toilets, trash receptacles and other surfaces. For use as a carpet spotter, apply to carpet, agitate and rinse with water. Do not spray into the air or use as an air freshener.

Use Crew® Tile and Grout Rejuvenator to remove soap scum, stains and hard water deposits.

Spray cleaner using full strokes 6–8" from the surface. Wait until stains disappear and wipe excess with a cloth or sponge, rinse the area thoroughly with cold water. For tough stains apply the cleaner and agitate the area with a stiff bristled brush, let the cleaner stand for 15 minutes. Rinse with cold water and repeat as needed.
