

## Application Procedures

### Use Crew Clinging Toilet Bowl Cleaner to clean and disinfect toilets and urinals.

Apply product to toilet bowl side or to urinal surfaces. Scrub entire unit, especially under the rim at water outlets. Wait one minute, then flush.

### Use Crew® Tile and Grout Rejuvenator to remove soap scum, stains and hard water deposits.

Spray cleaner using full strokes 6–8" from the surface. Wait until stains disappear and wipe excess with a cloth or sponge, rinse the area thoroughly with cold water. For tough stains apply the cleaner and agitate the area with a stiff bristled brush, let the cleaner stand for 15 minutes. Rinse with cold water and repeat as needed.

### Use Crew® Bathroom Cleaner and Scale Remover to remove soap scum and hard water deposits. Do not use on natural wood or marble.

Dilute with cold water. Dispense use-solution into trigger spray or flip top bottle as needed. Apply with a damp cloth or directly on surface to be cleaned. Loosen soil with rubbing action. Rinse with cold water.

### Use Suma® Bio-Floor® Cleaner D3.7 on kitchen floors with quarry tile, ceramic tile, or vinyl.

Post "Wet Floor" signs around area to be cleaned. Dispense proper strength solution of product and warm or hot water in a mop bucket. Spread diluted product with a clean mop generously to the floor, overlapping mop strokes. For best results, scrub the floor with a brush, especially if the floor has grout. Dry mop or squeegee floor dry or allow floor to air dry before reuse. A potable water rinse is only required for those surfaces that may contact edible product.

### Use BreakDown™/MC Odor Eliminator Concentrate to treat malodors on carpet and hard surfaces.

For daily cleaning: use a spray bottle or mop and bucket to apply the use-solution to a surface, let the product dwell for best performance. For deodorizing: spray directly onto floors, urinals, toilets, trash receptacles and other surfaces. For use as a carpet spotter, apply to carpet, agitate and rinse with water. Do not spray into the air or use as an air freshener.
