

Application Procedures

Use GP Forward® SC General Purpose Cleaner to clean any water-safe surface.

Fill mop bucket, spray bottle or automatic scrubbing machine from dispenser. Apply to surfaces to be cleaned. For auto scrubber use, trail mop behind machine to pick up any excess solution. Allow to dry.

Use Pro Strip® SC High Efficiency Floor Stripper to remove existing floor finish.

Blockade areas to be stripped. Floors will become very slippery when stripper is applied. Exercise caution.

Use Extraction SC as a prespray, bonnet buff or extraction cleaner.

Vacuum carpet first. Fill extractor solution tank with Extraction SC from dispenser. As needed, pre-spot with the appropriate spotter. Extract following equipment maker's operating instructions.

Use Extraction Rinse SC to flush out and remove detergent residues that cause resoiling.

Extract carpet and groom with a clean carpet rake or stiff synthetic broom. Allow to dry.
